ACP ONTARIO CHAPTER MEETING  
NOVEMBER 11 – 12, 2022  
RADISSON BLU DOWNTOWN TORONTO

PROGRAM

Welcome to the ACP Ontario Chapter Annual Meeting, which offers a diverse program of educational events featuring a variety of topics, networking opportunities, poster presentations and the famous Doctor’s Dilemma® competition! This year we are pleased to again offer a simulation session. I hope to have the opportunity to personally greet you over the course of the meeting!

Dr. George Dresser,  
Governor, ACP Ontario Chapter.

OVERALL LEARNING OBJECTIVES:
• Deliver new and up-to-date information on a variety of topics relevant to internists and general internists.
• Offer an opportunity to network with colleagues and ACP Members.
• Provide residents and medical students an opportunity to network and present their clinical and research findings.

Wrap Up and Town Hall Meeting
This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada. This activity was approved by the Canadian Society of Internal Medicine for a maximum of 5 hours.

Through an agreement between the Royal College of Physicians and Surgeons of Canada and the American Medical Association, physicians may convert Royal College MOC credits to AMA PRA Category 1 CreditsTM. Information on the process to convert Royal College MOC credits to AMA credits can be found at www.ama-assn.org/go/internationalcme.

Physicians should only claim credit commensurate with the extent of their participation in the activity.
